TRANSYLVANIA LAW SCHOOL.

THE departments of this School have been filled and extended by the appointment of the Hon. THOMAS B. MONROE, who has long been a successful instructor in various branches of the Law, to the professorship he has accepted. The faculty therefore consists of The Hon. GEORGE ROBERTSON, (late Chief Justice of Kentucky,) Professor of Constitutional Law, Equity, Juris-prudence and Pleading, and the Law of Comity. The Hon. THOMAS A. MARSHALL, (late Chief Justice and now Judge of the Court of Appeals of Ky.,) Professor of the Common Law, Elementary and Practical, including Pleading and Evidence.

The Hon. THOMAS B. MONROE, (Judge of the U. S. Dis-

trict Court for Kentucky,) Professor of Civil, National, Criminal and Commercial Law. And M. C. JOHNSON, Adjunct Professor, who will attend the class in the casual absence of the regular Professors. The winter session of this School will commence, as usual, on the 1st of November, and will be prolonged to five in-stead of four months, as heretofore. This extension of the session will enable the Professors to give a more extensive and thorough course of instruction, which will be carried on principally by daily examination in designated portions of the text books, with such explanations and illustrations as may be deemed necessary, and also by Moot Courts, for pleading and the discussion of legal questions, and by re-quiring from the students written exercises in drawing up bonds, deeds and other legal instruments, arguments and opinions. The attention of the students will also be special-by directed to the history of Jurisprudence, and to Civil Hison the 1st of November, and will be prolonged to five in-

ly directed to the history of Jurisprudence, and to Civil His-tory as connected with the progress of the Law, and to the Federal Courts. The books will be principally such as have been heretofore used, to be furnished by the students. The extension of the session and of the course of instruction will produce some increase in the cost of the Professor's tickets, the particulars of which will be hereafter announced. It is expected that there will be a second session of five months in each year, and in fact that arrangements will be made for a continuance of regular study and exercises during the whole year, by such students as may desire it. Diplomas will be granted at the end of each session to such as are found qualified to receive them. M. C. JOHNSON, oct21—trtf Chairman Board Trustees.

THE undersigned are now in receipt of their entire stock of HARDWARE and CUTLERY for the Fa.. arade, and in ealling the attention of the merchants of Tennessee, Kentucky, and North Alabama, to their stock now in store, they feel confident that it will be found to compare favorably, both as to quantity and assortment, with that of any other House in the country.

Experience has already demonstrated to the satisfaction of a large majority of dealers in this section of the country, that in the article of Hardware at least, the Nashville market is preferable to those of New York and Philadelphia; for the simple reason that this description of goods will not bear the heavy expenses of transportation which must necessarily accrue when brought through by canals and railroads. The undersigned are also enabled to place their customers on an equal footing with those purchasing in any other market, from the fact that their European goods being all imported direct from the manufacturers by way of New Orleans without touching New York, thus enabling them to offor their goods at a small advance on importation cost.

Merchants, Blacksmiths, Carpenters, &c., visiting Nashville are invited to call and examine their stock before purchasing.

DE. BLEDSOE'S ALTERATIVE COMPOUND

DE. BLEDSOE'S ALTERATIVE COMPOUND

The Remedy over all Remedies for the Diseases of the Liver
Dyspepnia, Enlargement and Inflamation of the Splein
Heartourns, Colic Flatalence, Files, Constripation, all
diseases of the Bowels, and such diseases as arise from a
disorderd state of the Stomach, Liver or Bowels, as
Scrofula and Sores of any kind. For General Debility,
from which Ladies frequently suffer, there is not ite
equal in the whole Materia Medica.

THE inventor of this preparation was for three years s
completely prostrated from Dyspepsia and inactivity of
the Liver that he was frequently for weeks at a time unable to
raise himself from his bed. He sought aid from physicians
at home and in Europe, but in vain; his case was pronounced
hopeless by thousands, and it was by accident that he succeeded in curing himself. Since he has been practicing medicine, his success in such cases has been unrivalled. He
has been aware of the incredulity of the public, and consequently said nothing through the press of his own case,
until the character of the medicine was fully established
by its success, as shown by the certificates which have been
advertised.

I subjoin the certificate of Prof. M. Gabbert, of Memphis, Tenn., with whom I often advised during the time of my

I hereby certify that I have been acquainted with Dr.J.

N. Bledsoe and some years ago he was reduced I believe lower than I have ever seen any one that afterwards recovered, with what I supposed to be Dyspepsia and Liver affection, and after trying the prescriptions of many Physicians in this as well as other countries, without relief, he finally succeeded with a preparation of his own in being restored to good health.

M. GABBERT, M. D.

Physicians are requested to try this preparation. We feel satisfied it will sustain the character we give to it in this

DR. BLEDSON: —I take the liberty and fell it to be my duty DR. BLEDSON: —I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very seperior medicine. My son, aged 15 years, had been under medical treatment about five years for dyspepsia and diarrhea—when having almost despaired of his recovery, I concluded to try your Alterative, two bottles of which, I believe, and the story of the story MICAJAH CAYCE.

HUNTSVILLE, Oct. 17, 1852. Dr. Bledson:—Some time has elapsed since I gave a certificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saying to the public, that my wife had for three or four years been subject to the worst kind of spells of crown in the subject to the worst kind of spells of cramp in the stomach from dyspepsia. I had tried of several whom I thought to be from dyspepsta. I had tried of several whom I thought to be the best physicians in the place and a great many different medicines, with momentary relief. Being persuaded to try your alterative compound, I did so—and I am happy to say that it has entirely cured her; and I would conscientiously recommend it to all persons suffering from diseases of the liver and dyspepsia.

N. B. ROBERTSON.

HUNTSVILLE, Sept. 29, 1851. Dr. Bledsoe Having seen the publication of your Alterative Compound, I think it my duty te say to the public, that I had been for years subject to spells of Cramp Colic, in its worst form; that I had tried almost every thing that is given by physicians, and never found any thing that would cer-tainly relieve me, until I tried the above medicine, which has relieved me in every attack in less than an hour.

WM. B. LLOYD.

GLES COUNTY, Tenn., Dec. 23, 1851.

Dr. Bledsog:—I feel that I should fall short of my duty to you and to those who are afflicted, were I not to further recommend your Alterative Compound. It has entirely re-lieved me, so that I have not had cause to take anything in two months. I can eat anything I want with impunity, and believe my health is as good as it ever is at my advanced age. Should I ever suffer from dyspepsia again I shall be sure to call on you. I am very respectfully your friend.

ELIZABETH J. HARWOOD.

HUNTSVILLE, Ala., August 24, 1851.

This is to certify, that I had suffered for many years with Dyspepsia and Diseases of the Liver. Physician after Physician sician had prescribed for me without my receiving any benefit, when I commenced the use of Dr. Bledsoe's Alterative Compound, which cured me soundly, and I recommend it because of the same happy effect upon others of my acquaint JUSEPH CAROTHERS

HUNTSVILLE, Ala., March 3, 1852. Dr. Blenson:—Sir: Judging from the certificates you have already advertised, it will be almost unnecessary for me have already advertised, it will be almost unnecessary for me
to add further evidence in regard to the healing virtues of
your Compound; but I amst say, that for years I suffered a
great deal from Dyspepsia and enlargement of the spleen,
and thought that I never would recover. I commenced taking your compound about nine weeks since, and have gained
25 or 30 pounds, and feel about as well as I ever did.
